OUTINGS FOR ANGLERS

The rugged Blackwater Canyon is one of the region’s premier, yet unsung, trout fisheries. The Canyon is a “catch and release” area known for large and plentiful fish. The upstream sections of the Blackwater, most of the Dry Fork, Laurel Fork, Glady Fork and many other mountain streams and rivers are stocked.
Trout Waters

Blackwater River
Stocked in a 3-mile section at the U.S. Rt. 32 Bridge and in a 5-mile section from the Davis Settling Pond upstream to Camp 70. Catch & release from the WV Secondary Rt. 29/1 bridge in Blackwater Falls State Park downstream 3.5 miles to the North Fork.

Clover Run
Stocked from bridge on WV Secondary Rt. 21, one and a half miles south of St. George, upstream 4 miles to WV Secondary Rt. 23 Bridge at the mouth of Valley Fork.

Horseshoe Run
Stocked from bridge 1/4 mile above Shafer to mouth of Mike’s Run. WV Secondary Rt. 5 follows this stream.

Red Creek
Stocked from Lanesville downstream 2.5 miles along WV Secondary Rt. 45.

Dry Fork
Stocked from Old Mill below Harman downstream to the mouth of Red Creek. And from WV Secondary Rt. 45 Bridge at Jenningston downstream to Gladwin and from along WV Secondary Rts. 26 and 43/12 to the mouth of Red Run. Located in Randolph and Tucker Counties.

Red Run (fly fishing only)
The main stem and all tributaries of Red Run. Access by foot from State Secondary Rt. 72 or USFS Rt. 13.

PADDLE SPORTS
Your water adventure can be mild, wild, or anything in between. Experience the excitement of the Cheat or Dry Fork rivers with one of our local whitewater rafting outfitters. ### How I get TUCKER’D

"Mountain Biking. Period. There are rail trails and gravel roads for eternity. I prefer grinding out relentless miles of rock studded, root bound, single track. My run in with wild turkey and black bear are more common than the two legged creature. The type of riding in Tucker County cannot be fabricated. This is where true adventure is still found!"
